

ANNEX A

1. On 21 October 2010, the Chamber issued the “Decision on the “Prosecution’s Second Application for Admission of Documents from the Bar Table Pursuant to Article 64(9)” with one confidential annex.¹
2. Due to a clerical error in the numbering of annexes 7 and 8, the heading above paragraph 35 and the first line of paragraph 35 should read as follows:

Twelfth report of the Secretary-General on the United Nations Organization Mission in the Democratic Republic of the Congo (DRC-OTP-0131-0389)

35. The “Twelfth report of the Secretary-General on the United Nations Organization Mission in the Democratic Republic of the Congo” (“MONUC report”), dated 18 October 2002, has in the meantime been admitted into evidence. [...]

3. In consequence, the following corrections have been made to paragraphs 38 and 39:

38. The Chamber has, therefore, disregarded the earlier assignment of an EVD number, and it has reviewed the admissibility of the MONUC report solely on the basis of the prosecution’s present application. For the reasons set out in the annex, this document (set out at annex 8 to the prosecution’s application), *prima facie*, fulfils the three-stage admissibility test.

V. Orders

39. The Chamber, for the reasons set out in the Annex to this Decision, determines:

¹ ICC-01/04-01/06-2589.

- a) The document at annex 8 was erroneously assigned the EVD number EVD-D01-00269 on 11 June 2010 as a document introduced by the defence, and should be removed from the record. As the document is now admitted into evidence as a document emanating from the prosecution, the Registry is instructed to assign a new (prosecution) EVD number.
- b) The documents in annexes 6, 7, 11 and 15 of the prosecution's Application are inadmissible.
- c) All the remaining documents, as listed in the Annex to this Decision, are admitted into evidence.
- d) The Registry is instructed to assign EVD numbers to the documents in annexes 2, 3, 4, 5, 9, 10, 12, 13 and 14.
