**Decision on the Prosecution request for the postponement of the 1 April 2008 deadline regarding the admissibility of the statement, interview notes, interview transcripts and documents relating to a witness**

On 1 April 2008, Judge Sylvia Steiner, single judge of the Pre-Trial Chamber I, issued, during an *ex parte* and closed session hearing with the Prosecution and the Victims and Witnesses Unit, an Oral Decision on a request filed by the Prosecution on 31 March 2008 for the postponement of the 1 April 2008 deadline regarding the admissibility of the statement, interview notes, interview transcripts and documents relating to a witness (ICC-01/04-01/07-349-Conf-Exp).

In the decision, the Single Judge granted the request of the Prosecution and decided to postpone, until 8 April 2008, the deadline originally given in the Decision on a Prosecution's Request for the Issuance of an Order to Protect Witnesses (ICC-01/04-01/07-317-Conf-Exp).
